

# The Funnier Side of Retirement for Engineers and People of the Technical Persuasion

*By Gregory K. McMillan*

*Illustrated by Ted Williams  
(or somebody who looks a whole lot like him)*

*With cameo appearances  
by Stan Weiner*

**W**e all know seniors of the technical persuasion. You may even be one yourself. Here is your chance to have a far-out look (or up-front stare if your company is headed for reorganization) into what retirement offers for geeks. This book puts Senior World on your doorstep—or at least in your mailbox. Ted Williams' cartoons make this book a graphic exposé. Here is your chance to find out how to have your cake and eat it too while watching a big screen TV.
